

**CHAMPIONS  
FOR  
BETTER**

The Patient Protection and Affordable Care Act (PPACA) imposes a number of insurance reforms and mandates, including a requirement to cover certain preventive items and services at 100% and ensure these items and services are not subject to deductibles or other cost-sharing limitations.

This is not an all-inclusive list and does not guarantee coverage. This list is subject to change as ACA guidelines are updated or modified. Coverage of any listed medication, including over-the-counter (OTC) medications, requires a prescription from a licensed health care provider. Other rules, limits, and exclusions may apply. Your cost share will be determined by your plan's drug coverage and formulary plan. Please check your benefit materials if you have questions on coverage. For specific questions about your coverage, please call the phone number printed on your member ID card.
