## IMPORTANT INFORMATION REGARDING THE PLAN:

In accordance with applicable federal law, the PLAN will not discriminate against any health care PROVIDER acting within the scope of their license or certification, or against any person who has received a break on their premium, or taken any other action to endorse his or her right under applicable federal law. Further, the PLAN shall not impose eligibility rules or variations in premiums based on any specified health status-related factors unless specifically permitted by law.

### Getting Started

This benefit booklet provides important information about your benefits and can help you understand how to maximize them. It's important that you read the entire booklet. If you need help or more information, it tells you how to contact us in the "Who to Contact" section.

### Notes on Words

As you read this benefit booklet, keep in mind that any word you see in "small capital letters (SMALL CAPITAL LETTERS)" is a defined term and appears in the "Glossary" at the end of this benefit booklet.

### This Booklet

This booklet tells you about:

- Your COVERED SERVICES and exclusions or services that are not covered
- How the PLAN works
- How we share expenses for COVERED SERVICES
- Who is eligible to be covered under the PLAN and when this coverage starts and ends
- Our UTILIZATION MANAGEMENT programs and the right to appeal the decision
- Any Special Programs that may come with the PLAN.

### PRIOR REVIEW and CERTIFICATION

Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a full denial of benefits. General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in "COVERED SERVICES." To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit [www.BlueCrossNC.com](http://www.BlueCrossNC.com) for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service. See "PRIOR REVIEW (Pre-Service)" in "UTILIZATION MANAGEMENT" for information about the review process.

### **Exclusions and Limitations**

Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in "COVERED SERVICES." Exclusions that apply to many services are listed in "What Is Not Covered?" To understand the exclusions and limitations that apply to each service, read "COVERED SERVICES," "Summary of Benefits" and "What Is Not Covered?"

### **No Assignment of Benefits**

The benefits described in this benefit booklet are provided only for MEMBERS. These benefits, the right to receive payment under the PLAN, and the right to enforce any claim arising under the PLAN cannot be transferred or assigned to any other person or entity, including PROVIDERS. Blue Cross NC will not recognize any such assignment, and any attempted assignment is void if performed without Blue Cross NC's prior written consent. PROVIDERS are not considered beneficiaries under the PLAN and do not have standing to sue under ERISA. Blue Cross NC may pay a PROVIDER directly. For example, Blue Cross NC pays IN-NETWORK PROVIDERS directly under applicable contracts with those PROVIDERS. However, any PROVIDER'S right to be paid directly is through such contract with Blue Cross NC, and not through the PLAN. Under the PLAN, Blue Cross NC has the sole right to determine whether payment for services is made to the PROVIDER, to the SUBSCRIBER, or allocated among both. Blue Cross NC's decision to pay a PROVIDER directly in no way reflects or creates any rights of the PROVIDER under the PLAN, including but not limited to benefits, payments or procedures. For more information see "Additional Terms of Your Coverage."

### **More Information upon Request**

You may receive, upon request, information about Blue Options, its services and DOCTORS, including printed copies of this benefit booklet with a benefit summary, and a directory of IN-NETWORK PROVIDERS.

### **Medical and Reimbursement Policies**

Certain services are covered pursuant to Blue Cross NC medical and reimbursement policies, which are updated throughout the plan year. These policies describe the procedure and criteria to determine whether a procedure, treatment, facility, equipment, drug or device is MEDICALLY NECESSARY and eligible for coverage, INVESTIGATIONAL or EXPERIMENTAL, COSMETIC, or a convenience item. The most up-to-date medical and reimbursement policies are available at <https://www.bluecrossnc.com/providers/policies-guidelines-codes/medical-policies>, or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

### **Reduced or Waived Payments**

- From time to time, MEMBERS may receive a reduced or waived copayment, deductible and/or coinsurance on designated services, therapies, or PRESCRIPTION DRUGS in connection with programs designed to reduce medical costs, or to encourage

MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

### **Common Insurance Terms**

To help you become familiar with some common insurance terms concerning what you may owe after visiting your PROVIDER, see the chart below and the "Glossary:"

Copayment	The fixed dollar amount you must pay for some COVERED SERVICES at the time you receive them. Copayments are not credited to the deductible; however, they are credited to the OUT-OF-POCKET LIMIT.
Deductible	The amount of money you must pay for COVERED SERVICES in a BENEFIT PERIOD before the PLAN begins to pay for COVERED SERVICES. The deductible does not include coinsurance, charges in excess of the ALLOWED AMOUNT, amounts exceeding any maximum, or charges for noncovered services.
Coinsurance	Your share of the cost of a covered health service, after you have met your BENEFIT PERIOD deductible. This is stated as a percentage of the ALLOWED AMOUNT. The coinsurance listed is your share of the cost of a COVERED SERVICE.
OUT-OF-POCKET LIMIT	The OUT-OF-POCKET LIMIT is the dollar amount you pay for COVERED SERVICES in a BENEFIT PERIOD before the PLAN pays 100% for COVERED SERVICES in a BENEFIT PERIOD. The OUT-OF-POCKET LIMIT includes your deductible, coinsurance, and copayments. It does not include charges over the ALLOWED AMOUNT, premiums, and charges for noncovered services.

Please note: This health benefit plan is not a high deductible health plan ("HDHP") under the Tax Code, and therefore cannot be paired with a health savings account ("HSA").

## SUMMARY OF BENEFITS

---

This section provides a summary of your Blue Options benefits. A more complete description of your benefits is found in "COVERED SERVICES." General exclusions may also apply—please see "What Is Not Covered?" As you review the "Summary of Benefits" chart, keep in mind:

- Copayment amounts are fixed dollar amounts the MEMBER must pay for some COVERED SERVICES.
- Multiple OFFICE VISITS or emergency room visits on the same day may result in multiple copayments.
- Coinsurance percentages shown in this section are the part that you pay for COVERED SERVICES.
- Amounts applied to deductible and coinsurance are based on the ALLOWED AMOUNT.
- Amounts applied to the deductible also count toward any visit or day maximums for those services.
- Benefits may differ depending on where the service is performed and if the service is received with any other service or associated with a surgical procedure.
- If your benefit level for services includes deductible or coinsurance, your PROVIDER may collect an estimated amount of these at the time you receive services.
- However, in an EMERGENCY, or when IN-NETWORK PROVIDERS are not reasonably available as determined by Blue Cross NC's access to care standards, you may also receive IN-NETWORK benefits for care from an OUT-OF-NETWORK PROVIDER. Please see "OUT-OF-NETWORK Benefit Exceptions" and "EMERGENCY and Ambulance Services" in "COVERED SERVICES" for additional information on EMERGENCY care. Access to care standards are available on Blue Cross NC's website at Blue Cross [NC.com](http://www.BlueCrossNC.com) or by calling Blue Cross NC Customer Service at the number listed on your ID CARD or in "Who To Contact?"
- If you see an OUT-OF-NETWORK PROVIDER, you will receive OUT-OF-NETWORK benefits unless otherwise approved by Blue Cross NC.

Please Note: The list of IN-NETWORK PROVIDERS may change from time to time, so please verify that the PROVIDER is still in the Blue Options network before receiving care. Find a PROVIDER on Blue Cross NC's website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) or call Blue Cross NC Customer Service at the number listed on your ID CARD or in "Who to Contact?"

## Most Cost-Effective Benefit Level

As a MEMBER of the Blue Options plan, you enjoy quality health care from a network of health care PROVIDERS and easy access to SPECIALISTS. You do not have to get a referral to see your DOCTOR. You also have the freedom to choose health care PROVIDERS who do not participate in the Blue Options network - the main difference will be the cost to you. To get the most from your health care benefits, visit an IN-NETWORK PROVIDER.

Benefits are available for services from an IN- or OUT-OF-NETWORK PROVIDER that is recognized by Blue Cross NC as eligible. For a list of eligible PROVIDERS, please visit Blue Cross NC's website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) or call Blue Cross NC Customer Service at the number listed in "Who to Contact?" Here's a look at how it works:

	IN-NETWORK	OUT-OF-NETWORK
Type of PROVIDER	<p>IN-NETWORK PROVIDERS are health care professionals and facilities that have contracted with Blue Cross NC, or a PROVIDER participating in the BlueCard® program. ANCILLARY PROVIDERS outside North Carolina are considered IN-NETWORK only if they contract directly with the Blue Cross or Blue Shield plan in the state where services are provided, even if they participate in the BlueCard® program. See "Glossary" for a description of ANCILLARY</p>	<p>OUT-OF-NETWORK PROVIDERS are not designated as Blue Options PROVIDERS by Blue Cross NC. Also see "OUT-OF-NETWORK Benefit Exceptions."</p>

ALLOWED AMOUNT vs. Billed Amount	<p>If the billed amount for COVERED SERVICES is greater than the ALLOWED AMOUNT, you are not responsible for the difference. Referrals	Blue Cross NC does not require you to obtain any referrals.	
After-hours Care	If you need nonEMERGENCY services after your PROVIDER'S office has closed, please call your PROVIDER'S office for their recorded instructions.	
Care Outside of North Carolina	<p>Your ID CARD gives you access to participating PROVIDERS outside the state of North Carolina through the BlueCard® program, and benefits are provided at the IN-NETWORK benefit level.</p>	<p>If you are in an area that has participating PROVIDERS and you choose a PROVIDER outside the network, you will receive the lower OUT-OF-NETWORK benefit. ### **OUT-OF-NETWORK Benefit Exceptions**

You will only be responsible for your IN-NETWORK share of the cost and PROVIDERS may not bill you more than your IN-NETWORK share of the cost in the following situations:

- When EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER or an OUT-OF-NETWORK EMERGENCY facility\*

## HOW BLUE OPTIONS WORKS *(cont.)*

---

- When you receive EMERGENCY MEDICALLY NECESSARY ground or air transport ambulance services from an OUT-OF-NETWORK PROVIDER\*
- When you receive MEDICALLY NECESSARY air transport ambulance services from an OUT-OF-NETWORK PROVIDER\*
- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER at an IN-NETWORK health care facility\*
- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by Blue Cross NC's access to care standards
- In Continuity of Care situations

\*These situations may not qualify for an OUT-OF-NETWORK PROVIDER benefit exception if the MEMBER gives consent. Please see <https://www.cms.gov/nosurprises> for notice regarding surprise billing describing your rights and how consent may impact these situations.

For more information, see one of the following sections: "EMERGENCY and Ambulance Services" in "COVERED SERVICES," or "Continuity of Care" in "UTILIZATION MANAGEMENT." For information about Blue Cross NC's access to care standards, visit Blue Cross NC's website at [www.BlueCrossNC.com/accesstocare](http://www.BlueCrossNC.com/accesstocare). If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling Blue Cross NC before receiving care from an OUT-OF-NETWORK PROVIDER.

### **Bundled Care and Payments Program**

Blue Cross NC is working with a select group of high-quality PROVIDERS to deliver coordinated care and simplified billing. All your care is coordinated for you, and all costs for services are billed together-saving time and reducing paperwork. Visit [www.BlueCrossNC.com/bundle](http://www.BlueCrossNC.com/bundle) for more information and to see the list of PROVIDERS participating in this program. You will also want to verify that these PROVIDERS are in the Blue Options network by visiting [www.BlueCrossNC.com](http://www.BlueCrossNC.com) or calling Blue Cross NC's Customer Service at the number listed in "Who to Contact?" The list of SURGERIES and specialties, and participating PROVIDERS under this program, may change from time to time.

### **Carry Your IDENTIFICATION CARD**

Your ID CARD identifies you as a Blue Options MEMBER. Be sure to carry your ID CARD with you at all times and present it each time you seek health care.

For ID CARD requests, please visit Blue Cross NC's website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

### **The Role of a PRIMARY CARE PROVIDER (PCP) or SPECIALIST**

Blue Cross NC is strongly committed to continuously improving your quality of care and reducing the cost of using health care services. Maintaining a relationship with a PCP who will help you manage your health and make decisions about your health care needs is an important step towards ensuring you receive the highest quality of care. The Plan does not require that you designate a PCP to manage your health care. However, it is important for you to maintain a relationship with a PCP, who will help you manage your health and make decisions about your health care needs. If you change PCPs, be sure to have your medical records transferred, especially immunization records, to provide your new Provider with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care Provider regardless of cost or benefit coverage. PCPs are trained to deal with a broad range of health care issues and can help you to determine when you need a SPECIALIST. Providers from medical specialties such as family practice, internal medicine, and pediatrics, may participate as PCPs.

Please visit Blue Cross NC's website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) and click on Find a Doctor for information on PROVIDERS, including but not limited to: name, address, telephone number; professional qualifications, specialties, and medical school attended, residency completion, and board certified status or call Blue Cross NC Customer Service to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves the Blue Cross NC PROVIDER network and they are currently treating you for an ongoing special condition, see "Continuity of Care" in "UTILIZATION MANAGEMENT."

If a MEMBER chooses to see a SPECIALIST in place of a PCP, the SPECIALIST copay will apply.

To make this request, or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

# COVERED SERVICES

This section provides a more complete description of your benefits, along with some exceptions or services that are not covered by the PLAN. Keep in mind as you read this section Blue Options covers only those services that are MEDICALLY NECESSARY. We have grouped these COVERED SERVICES listed below to make it easier for you to find what you are looking for.

## Office Services

The PLAN covers care you receive as part of an OFFICE VISIT, including:

- virtual visits
- evaluation and treatment of obesity
- house call
- telehealth services

Telehealth services from a local PROVIDER: You can check with your local PROVIDER to see if telehealth services are available. Telehealth services are available from IN-NETWORK and OUT-OF-NETWORK PROVIDERS. Telehealth services include, but are not limited to, evaluation, management, and consultative services for medical, counseling, and care management issues with a PROVIDER via an interactive audio/video or other telecommunication system. It is important to understand that your benefit will vary depending upon the type of PROVIDER you see for these services.

The PLAN also covers infusion services received at an AMBULATORY INFUSION SUITE. Certain infusion services may require PRIOR REVIEW and CERTIFICATION or services will not be covered.

## COVERED SERVICES *(cont.)*

---

If the PLAN has a copayment for PCP OFFICE VISITS, a copayment will not apply if you only receive services such as allergy shots or other injections and are not charged for an OFFICE VISIT.

Some DOCTORS or OTHER PROVIDERS may practice in HOSPITAL-based or OUTPATIENT CLINICS or provide HOSPITAL-based services in their offices. These services are covered as outpatient services and are listed as HOSPITAL-based or OUTPATIENT CLINIC. See "Summary of Benefits."

Some PROVIDERS may receive ancillary services, such as laboratory services, medical equipment and supplies or PROVIDER-ADMINISTERED SPECIALTY DRUGS, from third parties. In these cases, you may be billed directly by the ANCILLARY PROVIDER. Benefit payments for these services will be based on the type of ANCILLARY PROVIDER, its network status, and how the services are billed.

Please check with your PROVIDER before your visit to determine if your PROVIDER will collect deductible and coinsurance, or you can call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for this information.

### PREVENTIVE CARE

The PLAN covers PREVENTIVE CARE services that can help you stay safe and healthy.

Under federal law, you can receive certain covered PREVENTIVE CARE services from an IN-NETWORK PROVIDER in an office-based, outpatient, or ambulatory surgical setting, at no cost to you. Please note, this benefit is only for services that indicate a primary diagnosis of preventive or wellness and which are identified by recent federal regulations as being eligible. Services, such as diagnostic lab tests, that may be delivered with a PREVENTIVE CARE service are not considered PREVENTIVE CARE. These services and services that do not include a primary diagnosis of preventive or wellness will be subject to your IN-NETWORK benefit level for the location where services are received. In addition, if a particular PREVENTIVE CARE service does not have a federal recommendation or guideline concerning the frequency, method, treatment or setting in which it must be provided, the PLAN may use reasonable medical management procedures to determine any coverage limitations or restrictions that may apply.

Please visit Blue Cross NC's website at [www.BlueCrossNC.com/preventive](http://www.BlueCrossNC.com/preventive) or call Blue Cross NC Customer Service at the number in "Who to Contact?" for the most up-to-date information on PREVENTIVE CARE that is covered under federal law, including any limitations that may apply. Certain over-the-counter medications may also be available. These over-the-counter medications are covered only as indicated and when a PROVIDER'S PRESCRIPTION is presented at a pharmacy.

PREVENTIVE CARE COVERED SERVICES include the following and are only available IN-NETWORK unless otherwise noted:

### EMERGENCY and Ambulance Services

#### EMERGENCY SERVICES

The PLAN provides benefits for EMERGENCY SERVICES.

An EMERGENCY is the sudden and unexpected onset of a medical condition, including a mental health or substance use disorder condition of such severity that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in any of the following:

- Placing the health of an individual, or with respect to a pregnant MEMBER the health of the pregnant MEMBER or their unborn child, in serious jeopardy
- Serious physical impairment to bodily functions
- Serious dysfunction of any bodily organ or part
- Death.

Heart attacks, strokes, uncontrolled bleeding, poisonings, major burns, prolonged loss of consciousness, spinal injuries, shock and other severe, acute conditions are examples of EMERGENCIES.

#### What to Do in an EMERGENCY

In an EMERGENCY, you should seek care immediately from an emergency room or other similar facility. If necessary and available, call 911 or use other community EMERGENCY resources to obtain assistance in handling life-threatening EMERGENCIES. If you are unsure if your condition is an EMERGENCY, you can call Health Line Blue, and a Health Line Blue nurse will provide information and support that may save you an unnecessary trip to the emergency room. PRIOR REVIEW is not required for EMERGENCY SERVICES.

Also, Blue Cross NC requires notification for MEMBERS who have Medicare as their primary coverage and who are admitted to a Medicare-certified HOSPITAL or NONHOSPITAL FACILITY.

## Commencement of Coverage

The EFFECTIVE DATE of coverage under the PLAN depends on the circumstances under which the EMPLOYEE enrolls.

- **New EMPLOYEES**—Coverage for a new EMPLOYEE who enrolls in the PLAN may begin either the first day of employment, or the first day of the month following the first day of employment.

- **Open Enrollment**-Coverage for EMPLOYEES who enroll during an open enrollment period commences on the date announced for that open enrollment period.

To be covered under this plan, you must be one of the following:

- Regular, full-time faculty EMPLOYEE holding a regular rank appointment who is receiving wages for Social Security purposes; or
- Faculty EMPLOYEE holding other than a regular rank appointment and classified as a full-time or part-time member of the faculty, who is receiving wages for Social Security purposes;

PLEASE NOTE: An EMPLOYEE who is enrolled in a Plan as the dependent of another Duke EMPLOYEE is not eligible to enroll as an EMPLOYEE under another Duke Health Plan.

For EMPLOYEE Enrollment

Eligible EMPLOYEES may enroll in the PLAN:

- Within 30 days of beginning employment
- Within 30 days of first becoming eligible to enroll in the PLAN
- During open enrollment period
- Within 30 days after returning to work from an approved leave of absence, including a leave taken pursuant to the Family and Medical leave Act of 1993
- Within 30 days of losing coverage under a spouse's employer sponsored health benefit plan, if coverage was lost for one of the following reasons:
  - Divorce or legal separation filed with the court
  - Death of a spouse
  - Termination of the spouse's employment
  - Termination of the employer sponsored health benefit plan to which the spouse belonged
  - Within 30 days of giving birth or marriage

For DEPENDENTS to be covered under the PLAN, you must be covered and your dependent must be one of the following:

## WHEN COVERAGE BEGINS AND ENDS *(cont.)*

- Your spouse under an existing marriage that is legally recognized under any state law.
- Your same sex domestic partner provided that he/she was registered with Duke HR prior to 1/1/2016.

- A DEPENDENT CHILD, in accordance with North Carolina law, who is and continues to be either intellectually or physically disabled and incapable of self-support may continue to be covered under the plan regardless of age if the disabling condition exists and coverage is in effect when the child reaches the end of eligibility for dependent children. The disability must be medically certified by the child's doctor, render the child incapable of independent living and self-sustaining employment, and may be verified annually by the PLAN.

### Coverage of disabled DEPENDENT CHILDREN

In order to continue coverage of an intellectually disabled or physically disabled dependent child beyond the end of eligibility for DEPENDENT CHILDREN all of the following criteria must be met:

- The child must be covered under a Duke policy on their 26th birthday;
- The parent must apply for the waiver prior to the 26th birthday;
- The mental or physical disability must be significant and render the child incapable of independent living and self- sustaining employment, and must be supported by medical records;
- The condition must exist on or prior to the end of eligibility for DEPENDENT CHILDREN;
- The parent must remain eligible and enrolled;
- The parent must provide annual evidence of continued incapacity;
- There must not be a break in coverage after the 26th birthday under the parental policy.

If both parents are EMPLOYEES of Duke University, each eligible person in the household may be covered only once. That is:

- Each spouse may elect EMPLOYEE Only coverage;
- One spouse may elect EMPLOYEE and Spouse coverage;

If there are children involved, each child can only be covered by one parent.

The effective date of coverage for a dependent depends on the circumstances under which he or she was enrolled in the plan.

Documentation is required.

A QMCSO must be specific as to the participant whose child(ren) is (are) to be covered, the type of coverage, the child(ren) to be covered and the applicable period of the QMCSO. A copy of the QMCSO procedures may be obtained free of charge from the PLAN ADMINISTRATOR.

You may have certain options such as enrolling in Medicare or continuing health insurance under this PLAN.

#### Medicare

When you reach age 65, you may be eligible for Medicare Part A hospital, Medicare Part B medical, and Medicare Part D PRESCRIPTION DRUG benefits. You may be eligible for

## WHEN COVERAGE BEGINS AND ENDS *(cont.)*

---

Medicare benefits earlier if you become permanently disabled or develop end-stage renal disease. Three months before either you or your spouse turns 65 or when disability or end-stage renal disease occurs, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available. If you are covered by this PLAN when you become eligible for Medicare and are not actively employed by Duke, you are required to enroll in Medicare Parts A and B and your coverage will be transferred to another Duke sponsored plan, Duke Plus.

### The PLAN As Your Primary Coverage - Active EMPLOYEES Age 65 Or Over

If the PLAN is your primary coverage, you will continue to receive full benefits under the PLAN. Medicare will pay any differences between the payments made by the PLAN and what Medicare would have paid if you had no additional insurance.

### Medicare As Your Primary Coverage

If you are age 65 or older and the spouse of an active EMPLOYEE and elect Medicare as your primary coverage, then you must terminate coverage under this PLAN.

If you are age 65 or older and you are an active employee and elect Medicare as your primary coverage, then your coverage and that of enrolled DEPENDENTS will end. Also see "Eligibility Ends" for information on continuation coverage.

### Medicare and Disability

If you become disabled and eligible for Medicare due to your disability, you must enroll in both Medicare A and B.

If you or your spouse is retired and you are entitled to Medicare disability benefits, you must enroll in both Medicare A and B, then Medicare will pay primary benefits. Your coverage will be transferred to another Duke sponsored plan, Duke Plus.

### Medicare and Termination of Employment

If you terminate employment with Duke and you and your covered spouse are age 65 or over you will need to obtain a document in the Benefits office which will allow you and or your spouse to enroll in Part B and D with no penalty.

### Medicare and End-Stage Renal Disease

Medicare benefits are secondary for a period of 30 months for you if you are under age 65 and entitled to Medicare due to end-stage renal disease. Medicare will remain secondary for this 30-month period regardless of whether you or your Medicare-eligible spouse remains currently employed or continues coverage under the PLAN after termination of employment. After the expiration of the 30-month period, even if you are still currently employed with Duke, if you are eligible for Medicare due to end-stage renal disease, you must enroll in part A and B and Medicare will become primary to the PLAN.

### Who to Contact About Medicare

Three months before either you or your spouse turns 65, when disability occurs, or when you are ready to leave employment or at age 65, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available for you at that time.

If you are covered by the PLAN, and you become eligible for Medicare, consult the Duke Benefits office. The Duke Benefits office will advise you about the continuation of coverage under the PLAN.

### Retirement

To continue to receive the health insurance plan in retirement, you must meet the following criteria:

- At the time of retirement, you must be enrolled under the health plan as the subscriber
  - Health insurance may also be continued for your spouse and eligible DEPENDENT CHILDREN who are covered at the time of your retirement.
  - If your spouse and/or eligible DEPENDENT CHILDREN are not enrolled at the time of retirement, they will not be eligible to be enrolled in the future.
- Retirees eligible for Medicare may only participate in one health plan. If you are eligible as a retiree for another plan, or choose to enroll in a commercial Medicare supplement, you must drop Duke Plus, or the other plan. You may not have two plans when also eligible for Medicare. Once you disenroll in Duke Plus, you may not re-enroll, unless you suspended coverage to be an active EMPLOYEE.

### Medicare and COBRA

If you are age 65 or older, COBRA is not considered creditable coverage. You must be enrolled in Medicare Parts A and B.

### Eligibility Requirements for Duke University Employees (Company Code 10)

You must meet the Rule of 75, which became effective July 1, 1990. It requires that your age plus years of continuous service with Duke at retirement must be equal to or greater than 75. Thus, an EMPLOYEE or faculty member must have at least ten years of continuous service to retire at 65 and continue Duke health coverage.

Note: If a faculty member or staff member meets the retiree health eligibility requirements and retires (early or normal), the retiree may suspend health or dental coverage and contributions at any time while employed and receiving benefits elsewhere\*. Re-enrollment in the health or dental plan must occur within 60 days of the termination of other employer sponsored coverage. Proof of continuous coverage through another employer plan where the individual was the employee will be required. If the individual re-enrolls after this 60 day period, the individual must pay the full premium (including the employer share) retroactive to the termination of the prior employer coverage and up to the time of re-enrollment.

### Eligibility Requirements for Duke University Health System (DUHS) Employees (Company Codes Other than 10)

EMPLOYEES hired on or after July 1, 2002 are eligible for retiree health coverage if they meet the following criteria:

- Have 15 years of continuous service after age 45 — Retiree pays 100% of the premium

EMPLOYEES hired by DUHS prior to July 1, 2002 are eligible for retiree health coverage if they meet one of the following criteria:

- Met the Rule of 75 (your age + years of continuous service = 75 as of July 1, 2002)

- EMPLOYEE is at least 60 years of age, with 10 or more years of continuous service (but did not meet the Rule of 75 as of July 1, 2002), then the EMPLOYEE is grand-fathered under the Rule of 75 eligibility provision
- All other EMPLOYEES employed by DUHS prior to July 1, 2002 are eligible for retiree health coverage at the time of retirement if they meet one of the following eligibility criteria
  - Have 15 years of continuous service after age 45 — DUHS will pay a portion of the premium OR

Re-enrollment in the health or dental plan must occur within 30 days of the termination of other employer-sponsored coverage. Proof of continuous coverage through another employer plan will be required. If the individual attempts to re-enroll after this 30 day period, the individual must pay the full premium (including the employer share) retroactive to the termination of the prior employer coverage and up to the time of re-enrollment. \* Coverage under another plan available to the individual as a retiree of another employer, through a spouse's employer or retiree health plan, or from service with the military does not count as employee coverage under another employer sponsored plan.

Note about Transfers: Employees who have transferred to the University/Medical Center from the Health System will not immediately fall under the eligibility rules for the University/Medical Center. After working 5 continuous years for the University/Medical Center, the eligibility rules for the University/Medical Center in place at that time will apply.

### Reduction-in-Force and Retiree Health Coverage

Duke Options will continue as primary coverage for EMPLOYEES who lose active coverage as a result of a Reduction in Force (RIF) and who meet the eligibility requirements for Duke University (Company Code 10 in SAP) or Duke University Health System (DUHS (All other Company Codes in SAP)), and the Duke Severance Pay Program. Early RETIREES who are part of a Reduction in Force and receiving Severance Payments should not enroll in COBRA coverage but should instead reach out to Duke Benefits in order to understand the subsidized Early RETIREE premium rate that may apply for the first six months of early RETIREE health coverage.

### Eligibility Ends

Under certain circumstances, your eligibility for coverage under the PLAN may end. You may be eligible to continue employer health coverage under the PLAN. Read this section to find out what your options are regarding eligibility for continuation of coverage.

### Continuing Coverage

#### Continuation Under Federal Law

Under a federal law known as COBRA, if your EMPLOYER has 20 or more EMPLOYEES, you and your covered DEPENDENTS can elect to continue coverage for up to 18 months by paying applicable fees to the EMPLOYER in the following circumstances:

- Your employment is terminated (unless the termination is the result of gross misconduct)
- Your hours worked are reduced, causing you to be ineligible for coverage.

In addition to their rights above, DEPENDENTS will be able to continue coverage for up to 36 months if their coverage is terminated due to:

- Your death
- Divorce
- Your entitlement to Medicare
- A DEPENDENT CHILD ceasing to be a DEPENDENT under the terms of this coverage.

Children born to or placed for adoption with you during the continuation coverage period are also eligible for the remainder of the continuation period.

## WHEN COVERAGE BEGINS AND ENDS *(cont.)*

---

If you are a retired EMPLOYEE and your EMPLOYER allows coverage to extend to retirees under this PLAN, and you, your spouse and your DEPENDENTS lose coverage resulting from a bankruptcy proceeding against your EMPLOYER, you may qualify for continuation coverage under COBRA. Contact the PLAN ADMINISTRATOR for conditions and duration of continuation coverage.

In addition, you and/or your DEPENDENTS, who are determined by the Social Security Administration to be disabled, may be eligible to extend their 18-month period of continuation coverage, for a total maximum of 29 months. The disability has to have started at some time before the 60th day of continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Notice must be provided to the PLAN ADMINISTRATOR within 60 days of the determination of disability by the Social Security Administration and prior to the end of the original 18-month period of continuation coverage. In addition, notice must be provided to the PLAN ADMINISTRATOR within 30 days after the later of the date of determination that the individual is no longer disabled or the date of the initial notification of this notice requirement.

You or your DEPENDENTS must notify the PLAN ADMINISTRATOR within 60 days of the following QLE:

- Divorce
- Ineligibility of a DEPENDENT CHILD.

You and/or your DEPENDENTS will be offered continuation coverage within 14 days of the date that the COBRA administrator is notified of one of these events resulting in the termination of your coverage. Eligible persons have 60 days to elect or reject continuation coverage. Following election, applicable fees must be paid to the COBRA administrator within 45 days.

Continuation coverage will end at the completion of the applicable continuation period or earlier if:

- Your EMPLOYER ceases to provide a health benefit plan to EMPLOYEES
- The continuing person fails to pay the monthly fee on time
- The continuing person obtains coverage under another group plan
- The continuing person becomes entitled to Medicare after the election of continuation coverage.

If you are covered by the PLAN and called to the uniformed services, as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA), consult the PLAN ADMINISTRATOR. The PLAN ADMINISTRATOR will advise you about the continuation of coverage and reinstatement of coverage under this PLAN as required under USERRA.

If you have any questions about your COBRA rights or continuation of coverage, please contact the PLAN ADMINISTRATOR.

### Health Insurance and Long Term Disability

EMPLOYEES participating in a Duke Health Plan at the time of approval for Long Term Disability benefits may continue to participate in a Duke Health Plan with the following qualifications:

- The individual must be participating (in a fully paid-up status) in a Duke Health Plan on their last day worked;
- Premiums must be paid in a timely manner, or deducted from the LTD check. If terminated for non-payment, there is no reinstatement;
- There must not be a break in coverage under the disabled individual's Duke Health Plan;
- No additional family members may be added to the coverage once the individual is approved for Long Term Disability regardless of a QLE;
- When a family member is removed from coverage, they may not re-enroll;
- Once eligible for Medicare, the individual must notify Benefits and immediately enroll in Medicare A and B. Those who do not enroll in Medicare B in a timely manner will be responsible for payment of those claims that would have been attributable to Medicare B;
- All persons participating in a Duke Health Plan during approved Long Term Disability will be enrolled in the Duke Plus Plan once Medicare becomes primary for them or a family member;
- If the individual dies while on Duke Long Term Disability, health coverage for family members will depend on the eligibility of the deceased individual for retiree health benefits. If the decedent was eligible at the time of death, the covered family members may continue under the survivor benefits. COBRA will be available to those who are not eligible.

### **Termination of MEMBER Coverage**

Blue Cross NC will terminate coverage under the PLAN in accordance with eligibility information provided by the EMPLOYER. A MEMBER'S termination shall be effective at 11:59 p.m. on the date that eligibility ends.

#### Termination for Cause

A MEMBER'S coverage may be terminated upon 31 days prior written notice for the following reasons:

- The MEMBER fails to pay or to have paid on his or her behalf or to make arrangements to pay any copayments, deductible or coinsurance for services covered under the PLAN

## WHEN COVERAGE BEGINS AND ENDS *(cont.)*

---

- No IN-NETWORK PROVIDER is able to establish or maintain a satisfactory DOCTOR-patient relationship with a MEMBER, as determined by the PLAN
- A MEMBER exhibits disruptive, abusive, or fraudulent behavior toward an IN-NETWORK PROVIDER.

As an alternative to termination as stated above, the PLAN, in its sole discretion, may limit or revoke a MEMBER'S access to certain IN-NETWORK PROVIDERS.

A MEMBER'S coverage under the PLAN will be terminated immediately for the following reasons:

- Fraud or intentional misrepresentation of a material fact by a MEMBER or DEPENDENT. However, if such termination is made retroactively, including back to the EFFECTIVE DATE of your policy (called a rescission), you will be given 30 days advance written notice of this rescission and may submit an appeal; see "Need to Appeal a Decision?" If your policy is rescinded, any premiums paid will be returned unless Blue Cross NC deducts the amount for any claims paid.
- A MEMBER has been convicted of (or a restraining order has been issued for) communicating threats of harm to Blue Cross NC personnel or property
- A MEMBER permits the use of his or her or any other MEMBER'S ID CARD by any other person not enrolled under this PLAN, or uses another person's ID CARD.

# UTILIZATION MANAGEMENT

This section provides information on how certain services are reviewed to determine if they are MEDICALLY NECESSARY.

---	--

To make sure you can have high quality, cost-effective health care, Blue Cross NC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires certain health care services to be reviewed and approved by Blue Cross NC in order to receive benefits. As part of this process, Blue Cross NC looks at whether health care services are MEDICALLY NECESSARY, given in the proper setting and for a reasonable length of time. Blue Cross NC will honor a CERTIFICATION to cover medical services or supplies under the PLAN unless the CERTIFICATION was based on:

- A material misrepresentation about your health condition
- You were not eligible for these services under the PLAN due to cancellation of coverage (including your voluntary termination of coverage)
- Nonpayment of premiums.

## **Rights and Responsibilities Under the UM Program**

### **Your MEMBER Rights**

Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for Blue Cross NC's ADVERSE BENEFIT DETERMINATION of a requested treatment or health care service, along with an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director (doctor licensed in North Carolina) from Blue Cross NC make a final decision of all NONCERTIFICATIONS
- Request a review of an ADVERSE BENEFIT DETERMINATION through the appeals process (see "Need to Appeal a Decision?")
- Have an authorized representative seek payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER'S behalf with the MEMBER'S written consent. In the event you name an authorized representative, "you" under the

## UTILIZATION MANAGEMENT *(cont.)*

---

“UTILIZATION MANAGEMENT” section means “you or your authorized representative.” Your representative will also receive all notices and benefit determinations.

### Blue Cross NC’s Responsibilities

As part of all UM decisions, Blue Cross NC will:

- Give you and your PROVIDER a toll-free phone number to call UM review staff when CERTIFICATION of a health care service is needed. See “Who to Contact?”
- Limit what Blue Cross NC asks from you or your PROVIDER to information that is needed to review the service in question
- Ask for all information needed to make the UM decision, including related clinical information
- Give you and your PROVIDER timely notification of the UM decision consistent with applicable state and federal law and the PLAN.

In the event that Blue Cross NC does not receive all the needed information to approve coverage for a health care service within set time frames, Blue Cross NC will let you know of an ADVERSE BENEFIT DETERMINATION in writing. The notice will explain how you may appeal the ADVERSE BENEFIT DETERMINATION.

### PRIOR REVIEW (Pre-Service)

Certain services require PRIOR REVIEW as noted in “COVERED SERVICES.” These types of reviews are called pre-service reviews.

IN-NETWORK PROVIDERS in North Carolina will request PRIOR REVIEW when necessary. IN-NETWORK inpatient facilities outside of North Carolina will also request PRIOR REVIEW for you, except for Veterans' Affairs (VA), SKILLED NURSING FACILITIES and military PROVIDERS. If you go to any other PROVIDER outside of North Carolina or to an OUT-OF-NETWORK PROVIDER in North Carolina, you are responsible for ensuring that you or your PROVIDER requests PRIOR REVIEW by Blue Cross NC. Approval of a pre-service review for services to be provided by an OUT-OF-NETWORK PROVIDER does not guarantee payment of the OUT-OF-NETWORK PROVIDER'S billed charges. The PLAN pays the ALLOWED AMOUNT for COVERED SERVICES rendered by an OUT-OF-NETWORK PROVIDER. Failure to request PRIOR REVIEW and receive CERTIFICATION will result in full denial of benefits.

If PRIOR REVIEW is required by the PLAN, you or your PROVIDER must request PRIOR REVIEW regardless of whether this PLAN is your primary or secondary coverage (see “Maintenance of Benefits (overlapping coverage)”). Also, the PLAN requires notification for MEMBERS who have Medicare as their primary coverage and who are admitted to a Medicare-certified HOSPITAL or NONHOSPITAL FACILITY. If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in an ADVERSE BENEFIT DETERMINATION.

To request PRIOR REVIEW, please call the numbers in “Who to Contact?”

General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in “COVERED SERVICES.” To determine if a specific service requires PRIOR

REVIEW and CERTIFICATION, visit Blue Cross NC's website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

If you fail to follow the procedures for filing a request for CERTIFICATION, Blue Cross NC will let you know of the failure and the proper steps to be followed in filing your request within five days of receiving the request.

Blue Cross NC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated to you and your PROVIDER within three business days after Blue Cross NC receives all necessary information. However, it will be no later than 15 calendar days from the date Blue Cross NC received the request. Blue Cross NC may extend this period one time for up to 15 calendar days if additional information is required. Blue Cross NC will let you or your PROVIDER know before the end of the initial 15-day period of the information needed. You will have 45 days to provide the requested information. As soon as Blue Cross NC receives all the requested information, or at the end of the 45 days, whichever is earlier, Blue Cross NC will make a decision within three business days. Blue Cross NC will let you and the PROVIDER know of an ADVERSE BENEFIT DETERMINATION electronically or in writing.

### **Urgent** PRIOR REVIEW

You have a right to an urgent review when the regular time frames for a decision: (i) could seriously jeopardize your life, health, or safety or the life, health or safety of others, due to your psychological state, or (ii) in the opinion of a practitioner with knowledge of your medical or behavioral condition, would subject you to adverse health consequences without the care or treatment that is the subject of the request. Blue Cross NC will let you and your PROVIDER know of its decision within 72 hours after receiving the request. Your PROVIDER will be notified of the decision, and if the decision results in an ADVERSE BENEFIT DETERMINATION, written notification will be given to you and your PROVIDER.

If Blue Cross NC needs more information to process your urgent review, Blue Cross NC will let you and your PROVIDER know of the information needed as soon as possible but no later than 24 hours following the receipt of your request. You will then be given a reasonable amount of time, but not less than 48 hours, to provide the requested information. Blue Cross NC will make a decision on your request within a reasonable time but no later than 48 hours after receipt of requested information or within 48 hours after the time period given to the PROVIDER to submit necessary clinical information, whichever comes first.

An urgent review may be requested by calling Blue Cross NC Customer Service at the number given in "Who to Contact?"

## UTILIZATION MANAGEMENT *(cont.)*

---

### **Concurrent Reviews**

Blue Cross NC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

If a request for an extension of treatment is non-urgent (such as, skilled nursing visits), a decision will be made and communicated to the requesting PROVIDER within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after we receive the request.

In the event of an ADVERSE BENEFIT DETERMINATION, Blue Cross NC will let you and your PROVIDER know within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after Blue Cross NC receives the request. Written confirmation of the decision will also be sent to your home by U.S. mail. For concurrent reviews, Blue Cross NC will remain responsible for COVERED SERVICES you are receiving until you or your representatives have been notified of the ADVERSE BENEFIT DETERMINATION.

#### Urgent Concurrent Review

If a request for an extension of treatment is urgent, and the request is received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, and contains all necessary information, a decision will be made and given to the requesting HOSPITAL or other facility as soon as possible. However, the decision will be no later than 24 hours after we receive the request.

If a request for extension of treatment is urgent, and the request is not received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, or the request is not submitted with all necessary information, a decision will be made and communicated as soon as possible, but no later than 72 hours after we receive the request.

If Blue Cross NC needs more information to process your urgent concurrent review, Blue Cross NC will let the requesting HOSPITAL or other facility know of the information needed as soon as possible but no later than 24 hours after we receive the request. The requesting HOSPITAL or other facility will then be given a reasonable amount of time, but not less than 24 hours, to provide the requested information. Blue Cross NC will make a decision within 72 hours after receipt of the request.

### **Retrospective Reviews (Post-Service)**

Blue Cross NC also reviews the coverage of health care services after you receive them (retrospective/post-service reviews). Retrospective review may include a review to see if services received in an EMERGENCY setting qualify as an EMERGENCY. All decisions will be based on MEDICAL NECESSITY and whether the service received was a benefit under the PLAN.

Blue Cross NC will make all retrospective review decisions and let you and your PROVIDER know of its decision within a reasonable time but no later than 30 calendar days from the

## UTILIZATION MANAGEMENT *(cont.)*

---

date Blue Cross NC received the request for coverage. If the request for coverage does not include all necessary information and more information is needed, before the end of the initial 30 calendar day decision notification time period ends, Blue Cross NC will let you or your authorized representative know of the information needed. You or your authorized representative will then have up to 90 days to respond and provide the requested information. As soon as Blue Cross NC receives a response to its request for the needed information from you or your authorized representative OR at the end of the 90 day time period and there has been no response to the request for the needed information from you or your authorized representative, whichever is earlier, Blue Cross NC will make a decision and give written notification of its decision within 15 calendar days. Regardless if additional information is needed, in the event of a NONCERTIFICATION, Blue Cross NC will let you and your PROVIDER know in writing within five business days after making the NONCERTIFICATION.

Services that were approved in advance by Blue Cross NC will not be subject to denial for MEDICAL NECESSITY once the claim is received, unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under the PLAN due to termination of coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for MEDICAL NECESSITY or for a benefit limitation or exclusion.

### **Care Management**

MEMBERS with complicated and/or chronic medical needs may be eligible for care management services.

Care management (case management as well as disease management) encourages MEMBERS with complicated or chronic medical needs, their PROVIDERS, and the PLAN to work together to meet the individual's health needs and promote quality outcomes.

To accomplish this, MEMBERS enrolled in or eligible for care management programs may be contacted by Blue Cross NC or by a representative of Blue Cross NC. The PLAN is not obligated to give the same benefits or services to a MEMBER at a later date or to any other MEMBER. Information about these services can be found by calling Blue Cross NC Customer Service. You may also want to talk with your PCP or SPECIALIST.

In addition to our care management programs for MEMBERS with complicated and/or chronic medical needs, MEMBERS may receive a reduced or waived out-of-pocket costs in connection with programs and/or promotions. These are designed to encourage MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

### **Continuity of Care**

Continuity of Care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for an ongoing special condition at the IN-NETWORK benefit level when you or your GROUP changes health benefit plans or when your PROVIDER is no longer in the Blue Options network. If your PCP or SPECIALIST leaves the Blue Cross NC PROVIDER

## UTILIZATION MANAGEMENT *(cont.)*

---

network and they are currently treating you for an ongoing special condition that meets Blue Cross NC Continuity of Care criteria, Blue Cross NC will notify you 30 days before the PROVIDER'S termination. If a practitioner notifies Blue Cross NC of termination less than thirty (30) days prior to the effective date, Blue Cross NC shall notify the affected members as soon as possible, but no later than thirty (30) calendar days after receipt of notification. To be eligible for Continuity of Care, the MEMBER must be actively being seen by the OUT-OF-NETWORK PROVIDER for an ongoing special condition and the PROVIDER must agree to abide by the Blue Cross NC requirements for Continuity of Care.

An ongoing special condition means:

- SERIOUS AND COMPLEX CONDITION
  - An acute illness (requires specialized medical treatment to avoid death or permanent harm)
  - Chronic illness (life threatening, degenerative, potentially disabling, or CONGENITAL requiring treatment over a prolonged period of time)
- Course of institutional or inpatient care
- Scheduled to undergo nonelective SURGERY, including receipt of postoperative care with respect to such a SURGERY
- Pregnant and undergoing a course of treatment for the pregnancy
- Terminally ill.

The allowed transitional period shall end on the earlier of (i) 90 days from the date of the PROVIDER termination; or (ii) the date on which the MEMBER is no longer a patient undergoing care of the ongoing special condition with respect to such PROVIDER or facility except in the cases of:

- Scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
- Terminal illness which shall extend through the remainder of the individual's life for care directly related to the treatment of the terminal illness; and
- Pregnancy which shall extend through the provision of 60 days of postpartum care.

Continuity of Care requests must be submitted to Blue Cross NC within 45 days of the PROVIDER termination date or within 45 days of EFFECTIVE DATE for MEMBERS new to the Blue Cross NC plan. Continuity of Care requests will be reviewed by a medical professional based on the information given about specific medical conditions. If your Continuity of Care request is denied, you may request a review through our appeals process (see "Need to Appeal a Decision?"). Claims for approved Continuity of Care services will be subject to the IN-NETWORK benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. Continuity of Care will not be given when the PROVIDER'S contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

### **Delegated UTILIZATION MANAGEMENT**

Blue Cross NC delegates certain UM services for particular benefits to other companies not associated with Blue Cross NC. While some benefits have been identified under "COVERED SERVICES," the list of benefits and/or companies may change from time to time; for the most up-to-date information visit [www.BlueCrossNC.com](http://www.BlueCrossNC.com) and search for "PRIOR REVIEW" for additional information, including those services subject to PRIOR REVIEW and CERTIFICATION.

In addition to the UTILIZATION MANAGEMENT (UM) program, Blue Cross NC offers a voluntary appeals process for MEMBERS. An appeal is another review of your case.

If you want to appeal an ADVERSE BENEFIT DETERMINATION or have a GRIEVANCE, you can request that Blue Cross NC review the decision or GRIEVANCE. The process may be requested by the MEMBER or an authorized representative acting on the MEMBER'S behalf with the MEMBER'S written consent. In the event you name an authorized representative, "you" under this section means "you or your authorized representative." Your representative will also receive all notices and benefit determinations from the appeal.

You may also ask for, at no charge, reasonable access to, and copies of all documents, records and other information relevant to your claim for benefits. Additionally, you will be provided with, at no charge, any new or additional evidence that is relied upon or generated by the PLAN or Blue Cross NC in connection with the claim being appealed. Please see the end of this section for contact information. References to Blue Cross NC throughout this section refer to Blue Cross NC or the designee.

### **Steps to Follow in the Appeals Process**

For each step in this process, there are set time frames for filing an appeal and for letting you or your PROVIDER know of the decision. The type of ADVERSE BENEFIT DETERMINATION or GRIEVANCE will determine the steps that you will need to follow in the appeals process. For all appeals, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date listed on your Explanation of Benefits.

Any request for review should include:

- MEMBER'S ID number
- MEMBER'S name
- Patient's name
- The nature of the appeal
- Any other information that may be helpful for the review.

To request a form to submit a request for review, visit Blue Cross NC's website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) or call Blue Cross NC Customer Service at the number given in "Who to Contact?"

After a request for review, a staff member who works in a separate department from the staff members who denied your first request will look at your appeal. The appeals staff members have not reviewed your case or information before. The denial of the initial claim will not have an effect on the review. If a claims denial is based on medical judgment, including determinations about whether a certain treatment, drug or other item is EXPERIMENTAL, INVESTIGATIONAL, or not MEDICALLY NECESSARY or appropriate, Blue Cross NC shall seek advice from a health care professional with an appropriate level of training and expertise in the field of medicine involved (as determined by Blue Cross NC). The health care professionals have not reviewed your case or information before.

You will have exhausted the PLAN'S internal appeals process after pursuing a first level appeal. Unless specifically noted below, upon completion of the first level appeal you may: pursue a second level appeal; or pursue an external review; or pursue a civil action under 502(a) of ERISA. You will also be deemed to have exhausted the PLAN'S internal appeal process at any time it is determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under federal law (other than minor errors that are not likely to cause prejudice or harm to you and were for good cause or situation beyond Blue Cross NC's control). In the event you are deemed to have exhausted the PLAN'S internal appeal process, and unless specifically noted below, you may pursue an external review.

### **First Level Appeal**

Blue Cross NC will provide you with the name, address and phone number of the appeals coordinator within three business days after receipt of a review request. Blue Cross NC will also give you instructions on how to submit written materials.

Although you are not allowed to attend a first level appeal, you may provide and/or present written evidence and testimony. Blue Cross NC asks that you send all of the written material you feel is necessary to make a decision. Blue Cross NC will use the material provided in the request for review, along with other available information, to reach a decision. If your appeal is due to a NONCERTIFICATION, your appeal will be reviewed by a licensed medical DOCTOR who was not involved in the initial NONCERTIFICATION decision. You may receive, in advance, any new information or rationale that Blue Cross NC may use in making a decision, so that you may have an opportunity to respond prior to the notice of an ADVERSE BENEFIT DETERMINATION.

Blue Cross NC will send you and your PROVIDER notification of the decision in clear written terms within a reasonable time but no later than 30 days from the date Blue Cross NC received the request. You may then request all information that was relevant to the review.

### **Quality of Care Complaints**

For quality of care complaints, an acknowledgement will be sent by Blue Cross NC within ten business days. We will refer the complaint to our quality assurance committee for review and consideration or any appropriate action against the PROVIDER. If you do not agree with the first level appeal decision, you have the right to a second level appeal. Second level appeals are not allowed for benefits or services that are clearly excluded by this benefit booklet, or quality of care complaints. Within ten business days after Blue Cross NC receives your request for a second level appeal, Blue Cross NC will send you an acknowledgement letter which will include the following:

- Name, address and phone number of the appeals coordinator
- A statement of your rights, including the right to:
  - request and receive all information that applies to your appeal from Blue Cross NC
  - take part in the second level appeal meeting
    - present your case to the review panel
    - submit supporting material before and during the review meeting
    - ask questions of any member of the review panel
  - be assisted or represented by a person of your choosing, including a family member, an EMPLOYER representative, or an attorney
  - pursue other voluntary alternative dispute resolution options as applicable.

The second level appeal meeting will be conducted by a review panel arranged by Blue Cross NC. The panel will include external physicians and/or benefit experts. This will be held within 45 days after Blue Cross NC receives a second level appeal request. Blue Cross NC will give you notice of the meeting date and time at least 15 days before the meeting. The meeting will be held by teleconference. You have the right to a full review of your appeal even if you do not take part in the meeting. A written decision will be issued to you within seven business days of the review meeting.

### **Notice of Decision**

If any claim (whether expedited or nonexpedited) shall be wholly or partially denied at either the first level appeal or the second level appeal, a written notice shall be provided to the MEMBER worded in an understandable manner and shall set forth:

- The specific reason(s) for the denial
- Reference to the specific health benefit plan provisions on which the decision is based

## NEED TO APPEAL A DECISION? *(cont.)*

---

- A statement that the MEMBER is entitled to receive reasonable access to, and copies of, all documents, records and other information relevant to the MEMBER'S claim for benefits upon request at no additional cost
- If applicable, a statement describing any voluntary appeals procedures and the MEMBER'S right to receive information about the procedures as well as the MEMBER'S right to bring a civil action under Section 502(a) of ERISA following an adverse determination upon review
- A copy of any internal rule, guideline, protocol or other similar criteria relied on in making the decision or a statement that such specific rule, guideline, protocol, or other similar criteria was relied upon in making the decision upon request at no charge
- Instructions on how to request an external, independent review from an independent review organization (IRO) upon completion of this review if not satisfied with the decision (available for NONCERTIFICATIONS only)
- The right to pursue other voluntary alternative dispute resolution options as applicable
- If the decision is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the PLAN to the MEMBER'S medical circumstances, or a statement that such explanation will be provided at no cost upon request; and
- The following statement: "You may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office."

### **Expedited Appeals (Available only for NONCERTIFICATIONS)**

You have the right to a more rapid or expedited review of a NONCERTIFICATION if a delay: (i) would reasonably appear to seriously jeopardize your or your DEPENDENT'S life, health or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you or your DEPENDENT to severe pain that cannot be adequately managed without the requested care or treatment. You can request an expedited second level review even if you did not request that the initial review be expedited. To start the process of an expedited appeal, you can call Blue Cross NC Customer Service at the number given in "Who to Contact?" An expedited review will take place in consultation with a medical DOCTOR. All of the same conditions for a first level or second level appeal apply to an expedited review. Blue Cross NC will communicate the decision by phone to you and your PROVIDER as soon as possible, taking into account the medical circumstances. The decision will be communicated no later than 72 hours after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, Blue Cross NC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

### **External Review**

Federal law allows for an external review of certain ADVERSE BENEFIT DETERMINATIONS by an external, independent review organization (IRO). This service is administered by the PLAN at no charge to you. The PLAN will let you know of your right to request an external review each time you receive:

- an ADVERSE BENEFIT DETERMINATION,
- an appeal decision upholding an ADVERSE BENEFIT DETERMINATION, or
- a final internal ADVERSE BENEFIT DETERMINATION.

In order to request an external review, Blue Cross NC must receive your request within four (4) months after the date of receipt of a notice of an ADVERSE BENEFIT DETERMINATION or final internal ADVERSE BENEFIT DETERMINATION. To request an external appeal, send your request to the following:

Blue Cross NC  
Member Appeals  
PO Box 30055  
Durham, NC 27702-3055

### **Expedited External Review**

An expedited external review may be available if (1) the time required to complete either an expedited internal appeals review or a standard external review would reasonably be expected to jeopardize your life or health or ability to regain maximum function, or (2) the final internal ADVERSE BENEFIT DETERMINATION concerns an admission, availability of care, continued stay, or health care item or service for which you received EMERGENCY SERVICES, but have not been discharged from a facility. If your request is not accepted for expedited review, the PLAN may: (1) accept the case for standard external review if the internal appeals process has been exhausted; or (2) require the completion of the internal appeals process and another request for an external review.

Within five (5) business days of (or, for an expedited review, immediately upon) receiving your request for an external review, the PLAN must determine whether the external review is eligible ("preliminary review"). The request is eligible if it meets the following requirements:

- Your request is about a NONCERTIFICATION or a rescission of coverage
- You are or were covered under the PLAN at the time the health care item or service was requested or, in the case of a retrospective review, were covered under the PLAN at the time the health care item or service was provided;
- The ADVERSE BENEFIT DETERMINATION or the final ADVERSE BENEFIT DETERMINATION does not relate to your failure to meet the requirements for eligibility under the terms of the PLAN (e.g., worker classification or similar determination);
- You have exhausted, or have been deemed to have exhausted (as defined above), the PLAN'S internal appeals process; and
- You provided all the information and forms required to process an external review.

## NEED TO APPEAL A DECISION? *(cont.)*

---

Within one (1) business day of (or, for expedited review, immediately upon) completing the preliminary review, the PLAN will notify you in writing of whether your request is complete and whether it has been accepted. If the PLAN notifies you that the request is incomplete, you must provide all requested information to the PLAN within the four (4) month filing period or within 48 hours following the receipt of the notice, whichever is later.

If the PLAN accepts your request, the assigned IRO will timely notify you in writing of the acceptance of the external review. The notice will include a notification that you may submit additional written information and supporting documentation relevant to the ADVERSE BENEFIT DETERMINATION to the assigned IRO within ten (10) business days following the date of receipt of the notice. Within five (5) business days (for an expedited review, as expeditiously as possible) after the date of assignment of the IRO, the PLAN shall provide the IRO the documents and any information considered in making the ADVERSE BENEFIT DETERMINATION.

The IRO will send you and the PLAN written notice of its decision within 45 days. If the request is expedited, the IRO will notify you and the PLAN as expeditiously as possible, but in no event more than 72 hours after the IRO receives the request. If the notice is not in writing, the IRO shall provide written confirmation to you and the PLAN within 48 hours after the date of providing the notice. If the IRO's decision is to reverse the ADVERSE BENEFIT DETERMINATION, the PLAN will immediately provide coverage or payment for the requested services or supplies. If you are no longer covered by the PLAN at the time the PLAN receives notice of the IRO's decision to reverse the ADVERSE BENEFIT DETERMINATION, the PLAN will only provide coverage for those services or supplies you actually received or would have received prior to disenrollment if the service had not been denied when first requested.

The IRO's external review decision is binding on you and the PLAN, except to the extent you may have other actions available under applicable federal law. You may not file a subsequent request for an external review involving the same ADVERSE BENEFIT DETERMINATION, for which you have already received an external review decision.

## **Benefits to which MEMBERS are Entitled**

If a MEMBER resides with a custodial parent or legal guardian who is not the EMPLOYEE, the PLAN will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the EMPLOYEE or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in the PLAN will be provided only for services and supplies that are performed by a PROVIDER as specified in the PLAN and regularly included in the ALLOWED AMOUNT. Blue Cross NC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under the PLAN.

Any amounts paid by the PLAN for noncovered services or that are in excess of the benefit provided under your Blue Options coverage may be recovered by Blue Cross NC. Blue Cross NC may recover the amounts by deducting from a MEMBER'S future claims payments. This can result in a reduction or elimination of future claims payments. In addition, under certain circumstances, if Blue Cross NC pays the PROVIDER amounts that are your responsibility, such as deductible, copayments or coinsurance, Blue Cross NC may collect such amounts directly from you.

## ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

---

Amounts paid by the PLAN for work-related accidents, injuries, or illnesses covered under state workers' compensation laws will be recovered upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the EMPLOYER or the workers' compensation insurer (whoever is responsible for payment of the medical expenses) to notify Blue Cross NC in writing that there has been a final adjudication or settlement.

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

### **Blue Cross NC's Disclosure of Protected Health Information (PHI)**

The privacy of your protected health information is very important. Blue Cross NC will only use or disclose your protected health information in accordance with applicable privacy laws, including the Health Insurance Portability and Accountability Act (HIPAA).

### **Administrative Discretion**

Blue Cross NC shall have the discretionary authority to use its discretion to construe and to interpret the terms of the PLAN and to determine the amount of benefits, and its decision on such matters is final and conclusive. Such determinations include decisions concerning coverage of services, care, treatment or supplies, and reasonableness of charges. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect. Blue Cross NC medical policies are guides considered by Blue Cross NC when making coverage determinations.

### **North Carolina PROVIDER Reimbursement**

Blue Cross NC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. Blue Cross NC's payment to PROVIDERS may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, or other methodology as agreed upon by Blue Cross NC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from Blue Cross NC greater than the charges for services provided to an eligible MEMBER, or Blue Cross NC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER'S liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER'S billed charge for COVERED SERVICES provided to a MEMBER.

Some OUT-OF-NETWORK PROVIDERS have other agreements with Blue Cross NC that affect their reimbursement for COVERED SERVICES provided to Blue Options MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Options ALLOWED AMOUNT and the contracted amount. OUT-OF-NETWORK

PROVIDERS may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with Blue Cross NC.

### **Services Received Outside of North Carolina**

Blue Cross NC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as "Inter-Plan Arrangements." As a MEMBER of the PLAN, you have access to PROVIDERS outside the state of North Carolina. Your ID CARD tells PROVIDERS that you are a MEMBER of the PLAN. While the PLAN maintains its contractual obligation to provide benefits to MEMBERS for COVERED SERVICES, the Blue Cross and/or Blue Shield licensee in the state where you receive services ("Host Blue") is responsible for contracting with and generally handling all interactions with its participating PROVIDERS. If you receive inpatient FACILITY SERVICES from an IN-NETWORK PROVIDER outside of North Carolina, except for Veterans' Affairs (VA), SKILLED NURSING FACILITIES and military PROVIDERS, the PROVIDER is responsible for requesting PRIOR REVIEW. If you see any other PROVIDER outside the State of North Carolina, you are responsible for ensuring that you or the PROVIDER requests PRIOR REVIEW by Blue Cross NC. Failure to request PRIOR REVIEW and obtain CERTIFICATION will result in a full denial of benefits. If you experience an EMERGENCY while traveling outside the state of North Carolina, go to the nearest EMERGENCY or URGENT CARE facility.

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for DENTAL SERVICES (unless provided under your medical benefits), PRESCRIPTION DRUG or vision care benefits that may be administered by a third party contracted by Blue Cross NC to provide the specific service or services.

Whenever you obtain health care services outside the area in which the Blue Cross NC network operates, the claims for these services may be processed through one of these Inter-Plan Arrangements, which include the BlueCard Program and may include Negotiated National Account Arrangements available between Blue Cross NC and other Blue Cross and/or Blue Shield licensees.

Under the BlueCard Program, the amount you pay toward such COVERED SERVICES, such as deductibles, copayments or coinsurance, is usually based on the lesser of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the "Host Blue" passes on to Blue Cross NC.

This "negotiated price" can be:

- A simple discount that reflects the actual price paid by the Host Blue to your PROVIDER
- An estimated price that factors in special arrangements with your PROVIDER or with a group of PROVIDERS that may include types of settlements, incentive payments, and/or other credits or charges
- An average price, based on a discount that reflects the expected average savings for similar types of health care PROVIDERS after taking into account the same types of special arrangements as with an estimated price.

## ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

---

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that Blue Cross NC uses for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered health care services according to applicable law.

As an alternative to the BlueCard Program and depending on your geographic location, your claim may be processed through a Negotiated National Account Arrangement with a Host Blue. In these situations, the amount you pay for COVERED SERVICES will be calculated based on the lower of the participating PROVIDER'S billed covered charges or the negotiated price made available to Blue Cross NC by the Host Blue.

If reference-based benefits, which are service-specific benefit dollar limits for specific procedures, based on a Host Blue's local market rates, are made available to you, you will be responsible for the amount that the healthcare PROVIDER bills above the specific reference benefit limit for the given procedure. For a participating PROVIDER, that amount will be the difference between the negotiated price and the reference benefit limit. For a nonparticipating PROVIDER, that amount will be the difference between the PROVIDER'S billed charge and the reference benefit limit. Where a reference benefit limit is greater than either a negotiated price or a PROVIDER'S billed charge, you will incur no liability, other than any related patient cost sharing under this PLAN.

If you receive COVERED SERVICES from a nonparticipating PROVIDER outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue's nonparticipating PROVIDER local payment or the pricing arrangements required by applicable state law. However, in certain situations, the PLAN may use other payment bases, such as billed charges, to determine the amount the PLAN will pay for COVERED SERVICES from a nonparticipating PROVIDER. In other exception cases, Blue Cross NC may pay such a claim based on the payment it would make if Blue Cross NC were paying a nonparticipating PROVIDER for the same covered healthcare services inside of Blue Cross NC's service area, where the Host Blue's corresponding payment would be more than Blue Cross NC's in-service area nonparticipating PROVIDER payment, or in Blue Cross NC's sole and absolute discretion, Blue Cross NC may negotiate a payment with such a PROVIDER on an exception basis. In any of these situations, you may be liable for the difference between the nonparticipating PROVIDER'S billed amount and any payment the PLAN would make for the COVERED SERVICES.

### Value-Based Programs: BlueCard® Program

If you receive COVERED SERVICES under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the PROVIDER Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host

---

Blue passes these fees to Blue Cross NC through average pricing or fee schedule adjustments.

### Value Based Programs: Negotiated (non-BlueCard Program) Arrangements

If Blue Cross NC has entered into a Negotiated National Account Arrangement with a Host Blue to provide Value-Based Programs to your EMPLOYER on your behalf, Blue Cross NC will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

### Blue Cross Blue Shield Global Core

If you are outside the United States (hereinafter "BlueCard service area"), you may be able to take advantage of the Blue Cross Blue Shield Global Core when accessing COVERED SERVICES. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional PROVIDERS, the network is not served by a Host Blue. As such, when you receive care from PROVIDERS outside the BlueCard service area, you will typically have to pay the PROVIDERS and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a DOCTOR or HOSPITAL) outside the BlueCard service area, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

#### Inpatient Services

In most cases, if you contact the service center for assistance, HOSPITALS will not require you to pay for covered inpatient services, except for any applicable copay, deductible or coinsurance amounts. In such cases, the HOSPITAL will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for COVERED SERVICES. You must contact Blue Cross NC to obtain precertification for non-EMERGENCY inpatient services.

#### Outpatient Services

Physicians, URGENT CARE centers and other outpatient PROVIDERS located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for COVERED SERVICES.

#### Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for COVERED SERVICES outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a claim form and send the claim form with the PROVIDER'S itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the

instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Cross NC, the service center or online at [www.BCBSglobalcore.com](http://www.BCBSglobalcore.com). If you need assistance with your claim submission, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

### **Right of Recovery Provision**

The provisions of this section apply to all current or former PLAN participants and also to the parents, guardian, or other representative of a DEPENDENT CHILD who incurs claims and is or has been covered by the PLAN. The PLAN'S right to recover (whether by subrogation or reimbursement) shall apply to the personal representative of your estate, your decedents, minors, and incompetent or disabled persons. "MEMBER" includes anyone on whose behalf the PLAN pays benefits. No adult covered person hereunder may assign any rights that it may have to recover medical expenses from any tortfeasor or other person or entity to any minor child or children of said adult covered person without the prior express written consent of the PLAN.

As used throughout this provision, the term "responsible party" means any party possibly responsible for making any payment to a MEMBER due to a MEMBER'S injuries or illness or any insurance coverage including, but not limited to, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers' compensation coverage, no-fault automobile insurance coverage, or any first party insurance coverage.

The PLAN is always secondary to automobile no-fault coverage, personal injury protection coverage, or medical payments coverage.

No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the PLAN'S subrogation and reimbursement interest are fully satisfied.

The right of subrogation means the PLAN is entitled to pursue any claims that the MEMBER may have in order to recover the benefits paid by the PLAN. Immediately upon paying or providing any benefit under the PLAN, the PLAN shall be subrogated to all rights of recovery a MEMBER has against any party potentially responsible for making any payment to a MEMBER due to a MEMBER'S injuries, illness or condition, to the full extent of benefits provided or to be provided by the PLAN. The PLAN may assert a claim or file suit in the MEMBER'S name and take appropriate action to assert its subrogation claim, with or without your consent. The PLAN is not required to pay the MEMBER part of any recovery it may obtain, even if it files suit in the MEMBER'S name.

In addition, if a MEMBER receives any payment from any potentially responsible party as a result of an injury, illness or condition, the PLAN has the right to recover from, and be reimbursed by, the MEMBER for all amounts the PLAN has paid and will pay as a result of that injury or illness, up to and including the full amount the MEMBER receives from all potentially

---

responsible parties. The MEMBER agrees that if the MEMBER receives any payment from any potentially responsible party as a result of an injury or illness, the MEMBER will serve as a constructive trustee over the funds for the benefit of the PLAN. Failure to hold such funds in trust will be deemed a breach of the MEMBER'S fiduciary duty to the PLAN. No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the PLAN'S subrogation and reimbursement interest are fully satisfied.

Further, the PLAN will automatically have a lien, to the extent of benefits advanced, upon any recovery whether by settlement, judgment or otherwise, that a MEMBER receives from the third party, the third party's insurer or any other source as a result of the MEMBER'S injuries. The lien is in the amount of benefits paid by the PLAN for the treatment of the illness, injury or condition for which another party is responsible.

The lien can be filed with or enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the PLAN including, but not limited to, the MEMBER; the MEMBER'S representative or agent; responsible party; responsible party's insurer, representative or agent; and/or any other source possessing funds representing the amount of benefits paid by the PLAN. In order to secure the PLAN'S recovery rights, the MEMBER agrees to assign to the PLAN any benefits or claims or rights of recovery they have under any automobile policy or other coverage, to the full extent of the PLAN'S subrogation and reimbursement claims. This assignment allows the PLAN to pursue any claim the MEMBER may have, whether or not they choose to pursue the claim.

The MEMBER acknowledges that the PLAN'S recovery rights are a first priority claim against all potentially responsible parties and are to be paid to the PLAN before any other claim for the MEMBER'S damages. The PLAN shall be entitled to full reimbursement first from any potentially responsible party payments, even if such payment to the PLAN will result in a recovery to the MEMBER which is insufficient to make the MEMBER whole or to compensate the MEMBER in part or in whole for the damages sustained. It is further understood that the PLAN is not required to participate in or pay court costs or attorney fees to any attorney hired by the MEMBER to pursue their damage claim.

The terms of this entire right of recovery provision shall apply and the PLAN is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party and regardless of whether the settlement or judgment received by the MEMBER identifies the medical benefits the PLAN provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical expenses. The PLAN is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering or non-economic damages and/or general damages only. The PLAN'S claim will not be reduced due to your own negligence.

The MEMBER acknowledges that Blue Cross NC has been delegated authority by the PLAN ADMINISTRATOR to assert and pursue the right of subrogation and/or reimbursement on behalf of the PLAN. The MEMBER shall fully cooperate with Blue Cross NC's efforts to recover benefits paid by the PLAN. It is the duty of the MEMBER to notify Blue Cross NC in writing of

## ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

---

the MEMBER'S intent to pursue a claim against any potentially responsible party, within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of the intention to pursue or investigate a claim to recover damages or obtain compensation due to injuries or illness sustained by the MEMBER. The MEMBER and their agents agree to provide the PLAN or its representatives notice of any recovery the MEMBER or the MEMBER'S agents obtain prior to receipt of such recovery funds or within 5 days if no notice was given prior to receipt. Further, the MEMBER and the MEMBER'S agents shall provide notice prior to any disbursement of settlement or any other recovery funds obtained. The MEMBER shall provide all information requested by Blue Cross NC or its representative including, but not limited to, completing and submitting any applications or other forms or statements as Blue Cross NC may reasonably request and all documents related to or filed in personal injury litigation.

The MEMBER shall do nothing to prejudice the PLAN'S recovery rights as herein set forth. This includes, but is not limited to, refraining from entering into any settlement or recovery that attempts to reduce, waive, bar or exclude the full cost of all benefits provided by the PLAN.

The MEMBER acknowledges that the PLAN has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of recovery. The PLAN reserves the right to notify all parties and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

The MEMBER acknowledges that the PLAN has notified them that it has the right pursuant to the Health Insurance Portability & Accountability Act ("HIPAA"), 42 U.S.C. Section 1301 *et seq.*, to share your personal health information in exercising its subrogation and reimbursement rights.

In the event that any claim is made that any part of this right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the MEMBER and the PLAN agree that the PLAN ADMINISTRATOR shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

The MEMBER agrees that any legal action or proceeding with respect to this provision may be brought in any court of competent jurisdiction as Blue Cross NC may elect. Upon receiving benefits under the PLAN, the MEMBER hereby submits to each such jurisdiction, waiving whatever rights may correspond to the MEMBER by reason of the MEMBER'S present or future domicile. By accepting such benefits, the MEMBER agrees to pay all attorneys' fees the PLAN incurs in successful attempts to recover amounts the PLAN is entitled to under this section.

### **Recovery of Overpayment**

If the amount of the payments made by Blue Cross NC is more than it should have paid under the PLAN, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the MEMBER. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

### **Notice of Claim**

The PLAN will not be liable for payment of benefits unless proper notice is furnished to Blue Cross NC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given to Blue Cross NC within 18 months after the MEMBER INCURS the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. The notice must be on an approved claim form and include the data necessary for Blue Cross NC to determine benefits.

### **Notice of Benefit Determination**

Blue Cross NC will provide an explanation of benefits determination to the MEMBER or the MEMBER'S authorized representative within 30 days of Blue Cross NC's receipt of a notice of claim if the MEMBER has financial liability on the claim other than a copayment or other services where payment was made at the point of service (unless the PLAN has chosen to provide an explanation of benefits for additional claims where the MEMBER does not have a financial liability other than a copayment).

Blue Cross NC may take an extension of up to 15 more days to complete the benefits determination if additional information is needed. If Blue Cross NC takes an extension, Blue Cross NC will notify the MEMBER or the MEMBER'S authorized representative of the extension and of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC receives the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 days.

Such notice will be worded in an understandable manner and will include:

- The specific reason(s) for the denial of benefits
- Reference to the benefit booklet section on which the denial of benefits is based
- A description of any additional information needed for you to perfect the claim and an explanation of why such information is needed
- A description of the review procedures and the time limits applicable to such procedures, including the MEMBER'S right to bring a civil action under Section 502(a) of ERISA following a denial of benefits
- A copy of any internal rule, guideline, protocol or other similar criteria relied on, if any, in making the benefit determination or a statement that it will be provided without charge upon request
- If the denial of benefits is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of the PLAN to the MEMBER'S medical circumstances, or a statement that this will be provided without charge upon request; and
- In the case of a denial of benefits involving URGENT CARE, a description of the expedited review process available to such claims.

Upon receipt of a denial of benefits, you have the right to file an appeal with Blue Cross NC. See "Need To Appeal a Decision?" for more information.

### **Limitation of Actions**

You must complete all of the required steps under the PLAN'S administrative claims and appeals procedures. For plans that are subject to ERISA, this means that you must timely file an initial claim (if applicable) and timely file and complete a first level appeal of any ADVERSE BENEFIT DETERMINATION before bringing suit under ERISA. For plans that are not subject to ERISA, this means that you must file and complete a first level appeal and, for those COVERED SERVICES and items subject to a second level appeal, you must also file and complete a second level appeal. To confirm whether your plan is subject to ERISA, you should contact your PLAN ADMINISTRATOR.

Any lawsuit that you file must be filed within the earlier of (1) within one year after receiving a final ADVERSE BENEFIT DETERMINATION regarding your first level appeal (or for non-ERISA plans, a second level appeal, if required) or (2) three years from the date the charge giving rise to the claim is INCURRED (or, if there are no such charges, the date your claim arose). Failure to follow the PLAN'S administrative claims and appeals procedures in a timely manner will cause you to lose your right to sue regarding an ADVERSE BENEFIT DETERMINATION and/or to recover benefits. Generally, this means that any claim, action or suit filed in court or in another tribunal will be dismissed.

Please see "Need to Appeal a Decision?" for details regarding the appeals process.

### **Evaluating New Technology**

In an effort to allow for continuous quality improvement, Blue Cross NC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow Blue Cross NC to determine the best services and products to offer MEMBERS. They also help Blue Cross NC keep pace with the ever-advancing medical field. Before implementing any new or revised policies, Blue Cross NC reviews professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. Blue Cross NC then seeks additional input from PROVIDERS who know the needs of the patients they serve.

### **Maintenance of Benefits (Overlapping Coverage)**

If a MEMBER is also enrolled in another health plan, the PLAN may take into account benefits paid by the other plan.

Additionally, this PLAN always pays secondary to any medical payment, Personal Injury Protection (PIP) or no-fault coverage under any automobile policy available to you and to any plan or program which is required by law. All MEMBERS should review their automobile insurance policy to ensure that uncoordinated medical benefits have been chosen so that the automobile insurance policy is the primary payer.

Maintenance of benefits (MOB) means that if a MEMBER is covered by more than one insurance plan or automobile policy as described above, benefits under one insurance plan are determined before the benefits are determined under the second insurance plan. The

## ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

---

insurance plan that determines benefits first is called the primary insurance plan. The other insurance plan is called the secondary insurance plan.

Under Maintenance of Benefits, if the PLAN is the secondary insurance plan, it will pay the difference, if any, between the amount that would have been paid if the PLAN was primary, and the amount that the primary insurance plan pays. The PLAN does this by calculating what it would normally pay if it were the primary insurance plan, and then subtracting from that amount the amount that was paid by the primary insurance plan. If there is any balance left over, then the PLAN will pay that balance. This means that you will not receive 100 percent coverage between the two plans.

If you receive services from an OUT-OF-NETWORK PROVIDER, you are responsible for any charges not paid by either insurance plan. You may wish to check with the primary insurance plan to find out if an OUT-OF-NETWORK PROVIDER participates in the primary insurance plan's network and whether this affects your responsibility for paying up to the PROVIDER'S charges.

If either the primary or the secondary health benefit plan covers a particular service, where the PLAN is the secondary plan, the PLAN will coordinate benefits for that service based on the benefits of the secondary coverage. However, if neither the primary nor secondary plan covers a particular service, the MEMBER will be responsible for payment for that service.

Blue Cross NC, on behalf of the PLAN may request information about the other plan from the MEMBER. A prompt reply will help Blue Cross NC process payments quickly. There will be no payment until primary coverage is determined. It is important to remember that even when benefits from other health plans are taken into account, benefits for COVERED SERVICES under this PLAN are still subject to program requirements, such as PRIOR REVIEW and CERTIFICATION procedures.

### Important Information for MEMBERS Eligible for Medicare

If you are eligible for or enrolled in Medicare, the PLAN will determine Medicare primacy in accordance with the Medicare Secondary Payer rules and will coordinate benefits based on your Medicare eligibility. Information regarding how Medicare works with other insurance benefits like those offered by the PLAN can be found on [www.medicare.gov](http://www.medicare.gov). If you or your DEPENDENTS are covered under the PLAN, and are eligible for Medicare, the PLAN may take into account the benefits that you or your DEPENDENTS are eligible for under Medicare, regardless of whether you have actually enrolled for such coverage. In other words, even if you have not enrolled in Medicare, the PLAN may reduce a claim based on the benefits you are eligible for under Medicare, and then pay the remaining claim amount under the terms of the PLAN and in accordance with the Medicare Secondary Payer rules. As a result, if you are eligible for Medicare and Medicare would pay benefits primary to the PLAN, your out-of-pocket costs may be higher if you do not enroll in Medicare. The Medicare Secondary Payer rules that determine when Medicare pays benefits primary to other insurance benefits like those offered by the PLAN are complex and will not result in higher out-of-pocket costs in every instance. Therefore, if

## FEDERAL NOTICES

---

The following Federal Notices describe benefits that are included as part of your ESSENTIAL HEALTH BENEFITS. See "COVERED SERVICES" for more details.

### **Statement of Rights Under the Newborns' and Mothers' Health Protection Act**

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by Cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain PROVIDERS or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.

### **Mastectomy Benefits**

Under the Women's Health and Cancer Rights Act of 1998, the PLAN provides for the following services related to mastectomy SURGERY:

- Reconstruction of the breast on which the mastectomy has been performed
- SURGERY and reconstruction of the non-diseased breast to produce a symmetrical appearance without regard to the lapse of time between the mastectomy and the reconstructive SURGERY
- Prostheses and physical complications of all stages of the mastectomy, including lymphedemas.

See PROVIDER'S Office, or for external prostheses, see PROSTHETIC APPLIANCES in Other Services in the "Summary of Benefits."

Please note that the decision to discharge the patient following mastectomy SURGERY is made by the attending physician in consultation with the patient.

The benefits described above are subject to the same applicable deductibles, copayment or coinsurance and limitations as applied to other medical and surgical benefits provided under the PLAN.

### **Important Notice of Special Enrollment**

If you are declining enrollment for yourself or your DEPENDENTS (including your spouse) because of other health insurance (including Medicaid or Children's Health Insurance Program (CHIP)) or group health plan coverage, you may be able to enroll yourself and the DEPENDENTS in this PLAN if you or your DEPENDENTS lose eligibility for that other coverage (or if the employer stops contributing towards your or your DEPENDENTS' other coverage). However, you must request enrollment within 30 days after your or your DEPENDENTS' other coverage ends (other than Medicaid or CHIP) or if the employer stops contributing towards your or your DEPENDENTS' other coverage and within 60 days after the loss of Medicaid or CHIP eligibility.

In addition, if you have a new DEPENDENT as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your DEPENDENTS. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption or foster care, except when adding a DEPENDENT CHILD will not change your coverage type or premiums that are owed.

The above timeframes may be extended by federal law. Please contact your PLAN ADMINISTRATOR with any questions.

## GLOSSARY

---

These definitions will help you understand the PLAN. Please note that some of these terms may not apply to the PLAN.

### ADAPTIVE BEHAVIOR TREATMENT

Behavioral and developmental interventions that systematically manage instructional and environmental factors or the consequences of behavior that have been shown to be clinically effective through research published in peer reviewed scientific journals and based upon randomized, quasi-experimental, or single subject designs. All services performed must be within the PROVIDER'S scope of license or certification to be eligible for reimbursement.

### ADVERSE BENEFIT DETERMINATION

A denial, reduction, or termination of, or failure to provide or make full or partial payment for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be EXPERIMENTAL or INVESTIGATIONAL or not MEDICALLY NECESSARY or appropriate. Rescission of coverage and initial eligibility determinations are also included as adverse benefit determinations.

### ALLOWED AMOUNT

The maximum amount that Blue Cross NC determines is reasonable for COVERED SERVICES provided to a MEMBER. The allowed amount includes any Blue Cross NC payment to the PROVIDER, plus any deductible, coinsurance or copayment. For PROVIDERS that have entered into an agreement with Blue Cross NC, the allowed amount is the negotiated amount that the PROVIDER has agreed to accept as payment in full. The allowed amount may be based on a schedule of fees, capitated arrangement or other formula agreed upon between the PROVIDER and Blue Cross NC. Except as otherwise specified in "EMERGENCY and Ambulance Services," for PROVIDERS that have not entered into an agreement with Blue Cross NC, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount based on an OUT-OF-NETWORK fee schedule established by Blue Cross NC or through the BlueCard system that is applied to comparable PROVIDERS for similar services under a similar health benefit plan. Where Blue Cross NC has not established an OUT-OF-NETWORK fee schedule amount for the billed service, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount established by Blue Cross NC or through the BlueCard system using a methodology that is applied to comparable PROVIDERS who may have entered into an agreement with Blue Cross NC for similar services under a similar health benefit plan. Other than described above, Blue Cross NC will not pay the OUT-OF-NETWORK PROVIDER'S billed charge unless doing so is required by law. Calculation of the allowed amount is based on several factors including Blue Cross NC's medical, payment and administrative guidelines. Under the guidelines, some procedures charged separately by the PROVIDER may be combined into one procedure for reimbursement purposes.

### INVESTIGATIONAL (EXPERIMENTAL)

The use of a service or supply including, but not limited to, treatment, procedure, facility, equipment, drug, or device that Blue Cross NC does not recognize as standard medical care of the condition, disease, illness, or injury being treated. The following criteria are the basis for Blue Cross NC's determination that a service or supply is investigational:

- a) Services or supplies requiring federal or other governmental body approval, such as drugs and devices that do not have unrestricted market approval from the U.S. Food and Drug Administration (FDA) or final approval from any other governmental regulatory body for use in treatment of a specified condition. Any approval that is granted as an interim step in the regulatory process is not a substitute for final or unrestricted market approval.
- b) There is insufficient or inconclusive scientific evidence in peer-reviewed medical literature to permit Blue Cross NC's evaluation of the therapeutic value of the service or supply
- c) There is inconclusive evidence that the service or supply has a beneficial effect on health outcomes
- d) The service or supply under consideration is not as beneficial as any established alternatives
- e) There is insufficient information or inconclusive scientific evidence that, when utilized in a non-investigational setting, the service or supply has a beneficial effect on health outcomes and is as beneficial as any established alternatives.

If a service or supply meets one or more of the criteria, it is deemed investigational except for clinical trials as described under the PLAN. Determinations are made solely by Blue Cross NC after independent review of scientific data. Opinions of experts in a particular field and/or opinions and assessments of nationally recognized review organizations may also be considered by Blue Cross NC but are not determinative or conclusive.

### **ERISA Rights Statement**

As a participant in the PLAN, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all MEMBERS shall be entitled to:

- Examine, without charge, at the PLAN ADMINISTRATOR'S office and at other specified locations, such as worksites, all PLAN documents, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the PLAN with the U.S. Department of Labor.
- Obtain, upon written request to the PLAN ADMINISTRATOR, copies of documents governing the operation of the PLAN, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Descriptions. The PLAN ADMINISTRATOR may make a reasonable charge for the copies.
- Receive a summary of the PLAN'S financial report. The PLAN ADMINISTRATOR is required by law to furnish each MEMBER with a copy of this summary annual report.
- Continue health care coverage for yourself, spouse or DEPENDENTS if there is a loss of coverage under the PLAN as a result of a QLE. You or your DEPENDENTS may have to pay for such coverage. Review this Summary Plan Description and the documents governing the PLAN on the rules governing your COBRA continuation coverage rights.

In addition to creating rights for MEMBERS, ERISA imposes duties upon the people who are responsible for the operation of the PLAN. The people who operate the PLAN, called "fiduciaries" of the PLAN, have a duty to do so prudently and in the interest of you and other PLAN MEMBERS and beneficiaries. No one, including your EMPLOYER or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part you must receive a written explanation of the reason for the denial. You have the right to have your claim reviewed and reconsidered. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the PLAN and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the PLAN ADMINISTRATOR to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the PLAN ADMINISTRATOR. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the PLAN'S decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in federal court. If it should happen that the PLAN fiduciaries misuse the PLAN'S money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

## OTHER IMPORTANT PLAN INFORMATION *(cont.)*

If you have any questions about this statement or about your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### Exception process for ACA preventive services

A cost share waiver exception process exists for preventive medications and devices in certain circumstances. If a healthcare PROVIDER certifies that you are clinically unable to utilize the medications/devices available at \$0 cost share, then the requested alternate drug/device may be provided at \$0 cost share for the MEMBER when the required criteria is met. Exception forms and instructions can be found at [www.bluecrossnc.com/umdrug](http://www.bluecrossnc.com/umdrug). The cost share waiver does not apply when an OUT-OF-NETWORK or non-contracting pharmacy PROVIDER is used. Cost share is waived only when the medication or device is prescribed for PREVENTIVE CARE. If you have questions about the exceptions process, call Blue Cross's Customer Service number listed in "Who to Contact?" or on the back of your ID CARD.
