

Digital Badging Learner Guide

Canvas Credentials (formerly Badgr)

Print Certificate of Completion

This guide will help you print a **Certificate of Completion** after you've successfully completed an L&OD course or program.

NOTE: You will have to "Create an Account" to complete the steps below.

Print Your Certificate of Completion (Badge)

Not all courses/programs allow for printable badge certificates.

1. If your badge has certificate printing enabled, click on the badge title from your "My Badges" page.
2. Click the **three dots (...)** next to the Share button.
3. Select "**Print Certificate.**"
4. If you see errors on your certificate, [contact the Issuer.](#)

Retro Badges

Did you complete an L&OD course or program prior to the badge implementation? Request a badge for that achievement by completing the [L&OD Badge: Request a Retro Badge](#) form.
