Tips For Claim Submission

- ▶ An eligible dependent is defined as a spouse, qualifying child, or qualifying relative.
 - A qualifying child is defined as a tax dependent child up to age 26 or any age if permanently disabled.
 - A qualifying relative is someone who resides with you for more than half of the year.
 - Qualifying children and relatives must not provide more than half of his/her own support.
- ▶ For information to claim orthodontia expenses, refer to: www.hr.duke.edu/benefits/medical/reimbursement/health/orthodontia.php.
- ▶ For a complete list of eligible expenses specific to your plan, log in to your account at www.hr.duke.edu/reimbursement and select "Eligible Expense" from the left side of the screen. Only submit claims for eligible expenses.
- ▶ A letter of medical necessity is required for any expense listed as "Yes (Letter)" on the eligible expense list to establish medical necessity. Cosmetic surgery or procedures (i.e. teeth whitening) are not eligible expenses unless deemed as medically necessary by a licensed physician. A letter of medical necessity form can be obtained at: www.hr.duke.edu/benefits/medical/reimbursement/health/Medical_Necessity.pdf.

Tip for Over-the-Counter Expenses

- ▶ A prescription is required for any over-the-counter expense listed as "Yes (Rx)" on the eligible expense list. As a result of the Health Care Reform Law, in addition to the required detailed receipt, an actual prescription written by a doctor (on a prescription pad or form) dated on or before the date the expense was incurred is required to verify that the over-the-counter medicine is prescribed for a known medical condition.

Tips For Documentation

- ▶ Ensure that the documentation is legible.
- ▶ Cancelled or copies of checks and credit card receipts do not contain all 6 required pieces of information needed to approve your expense, and are not acceptable for submission.
- ▶ Explanation of Benefits (EOBs) are recommended, especially if your insurance covered a portion of the expense.
- ▶ The use of a highlighter causes items to not be legible on the documentation; highlighter use is not recommended.
- ▶ Send only photocopies of your claim form and documentation – keep the originals for your records if submitting via US Mail.
- ▶ Your provider may sign the form confirming the date of services, charges and other service or product information in lieu of providing separate documentation or other proof of service.

Tips For Faxing

- ▶ Do not use a cover page when faxing the claim form and documentation.
- ▶ Submit only claims for your own account.

Tips for Viewing Claim Status

- ▶ Please allow 2 business days from receipt of your claim for processing.
- ▶ You will be notified via email of the status of your claim if we have a valid email address on file (to update your email address, please log in to your account at www.hr.duke.edu/reimbursement and select "Profile" in the upper right corner of the screen).
